EDUCATION

Bangalore Institute of technology

Bachelors of Engineering, Electronics and instrumentation

CGPA: 8.4

Bangalore

July 2019 - July 2023

Kendriya Vidyalaya ASC center

SSC Mathematics, physics, Chemistry

CGPA: 8.7

Bangalore

April 2018 - April 2019

EXPERIENCE

Sain Informatix | Full stack web development intern

Bangalore, India | Aug 2022 - Sep 2022

As a full stack web development intern, I integrated real-time cryptocurrency data APIs into tracking websites, utilizing React.js and Bootstrap to create user-friendly interfaces and tables for displaying the information.

UniCompiler | Python Engineer

Bangalore, India | July 2022 - Aug 2022

As a Python Engineer, I designed and developed a 'Guess my number' game using Python and created a YouTube downloader using the Tinker library. I utilized my Python expertise to deliver high-quality solutions that met and exceeded expectations
